Bloodline Africa Word of Welcome

They say the fastest way to move backward is to stand still. We live in an ever-changing world. More so if you live in our beautiful country. One thing that we cannot complain about in South Africa is boredom. Here things change quickly and drastically.

This rapidly changing environment does not spare the game industry. Our industry has changed drastically over the last decade. We still speak about “the good old days” when selling a black Impala was enough to put down a deposit on a Land Cruiser. But the changes that took place brought about stability and sustainability. Those who weathered these changes are now part of an industry with sustainable long-term prospects. We, as Bloodline Africa, were not spared in those changes. We also had to endure uncertainties. But we stuck together and came out victorious.

We are under no illusions that the only certain thing is that nothing is certain. Challenges will always be there. It is how you deal with those challenges that set you apart.

We thank all our Bloodline Africa members (and their families) for sticking together in difficult times. We look forward to working together for a long time to come.

We thank our fellow breeders for sticking with us and supporting us year after year. We thank you for attending our auctions year after year and for supporting this year’s auction.

We are excited to work with Dries Visser Pure Bred in our Collaboration Auction. We believe that with his participation, we will give you, our supporter, an even greater variety. We are thrilled to produce an outstanding quality auction once again!

Enjoy our auction and rest assured that you are investing in some of the best genetics the industry has to offer.

The Auctioneer accepts no responsibility for the loss of potential purchases, if a bid is not recorded due to the interruption of the bidder or if the online system goes offline during the auction process.

3. **TIMED AUCTION (IF APPLICABLE)**

- 3.1. The provisions of the 'Timed Auction Rules' applies to all lots sold on the 'Timed Auction' and will prevail when in contradiction with the 'Rules of Auction' relating to a lot sold on the 'Timed Auction'.

It is advised not to utilize the internet if connectivity is poor and/or less than 4 megabits per second (Mbps) upload and download speed.

- 3.4. In respect of lots auctioned on the Timed Auction, the following additional terms and conditions will apply:

- 3.4.1. Subject to paragraph 3.4.2 below, lots on the timed auction will close as per the specified date and time per lot as advertised on the online bidding platform, subject to an Extension Period. The closing of lots may be staggered.
- 3.4.2. In the event where bidding on a lot will close and a bid is received within two (2) minutes of the published closing time, the time to enter a bid shall be automatically extended for an additional period, which period is customarily two (2) minutes, but may vary from time to time (the "Extension Period").
- 3.4.3. A lot will not close if a bid is received during an Extension Period and shall automatically be extended for a further Extension Period. A lot will only close if a final bid on the lot stands alone for a period equal to the Extension Period. The lot will only close if a final bid on the lot is received and stands alone for a period equal to the Extension Period.
- 3.4.4. The "fall of the hammer" on a lot for the purposes of the timed auction is defined as the date and closing time published on the online bidding platform and/or the Seller's/Auctioneer's public websites, alternatively at the date and time a final bid on a lot stands alone for a period equal to the Extension Period, whichever occurs last.
- 3.4.5. All lots on sale on the timed auction will have a minimum starting bid price which will be indicated on the online bidding platform. Any bid above the minimum starting bid price will not necessarily be successful as the lot may be subject to a reserve price. Should the reserve price not be met, the lot will not be sold and shall be marked to be 'Subject to Confirmation (STC)'. Should the aforementioned occur it is advised to make contact with the Auctioneer as soon as possible to obtain instructions from the Owner/Seller to explore the viability of entering a transaction. This does not create any right of refusal nor does it impose an obligation on the Owner/Seller or the Auctioneer to enter any transaction.
- 3.4.6. The minimum bidding increment may vary per lot but is specified on the online bidding platform.
- 3.4.7. Once a bid is made it cannot be withdrawn.
- 3.4.8. Neither the Auctioneer, the Sellers' or the Auctioneer's representatives will be liable for any failure in connectivity or software while using the online bidding platform.
- 3.4.9. Neither the Auctioneer, the Sellers or the Auctioneer or Sellers' representatives will be liable for software failure of any nature.
